

## RCB would like to Thank...

There are too many to thank individually in the confines of this program.

# THANK YOU

to all

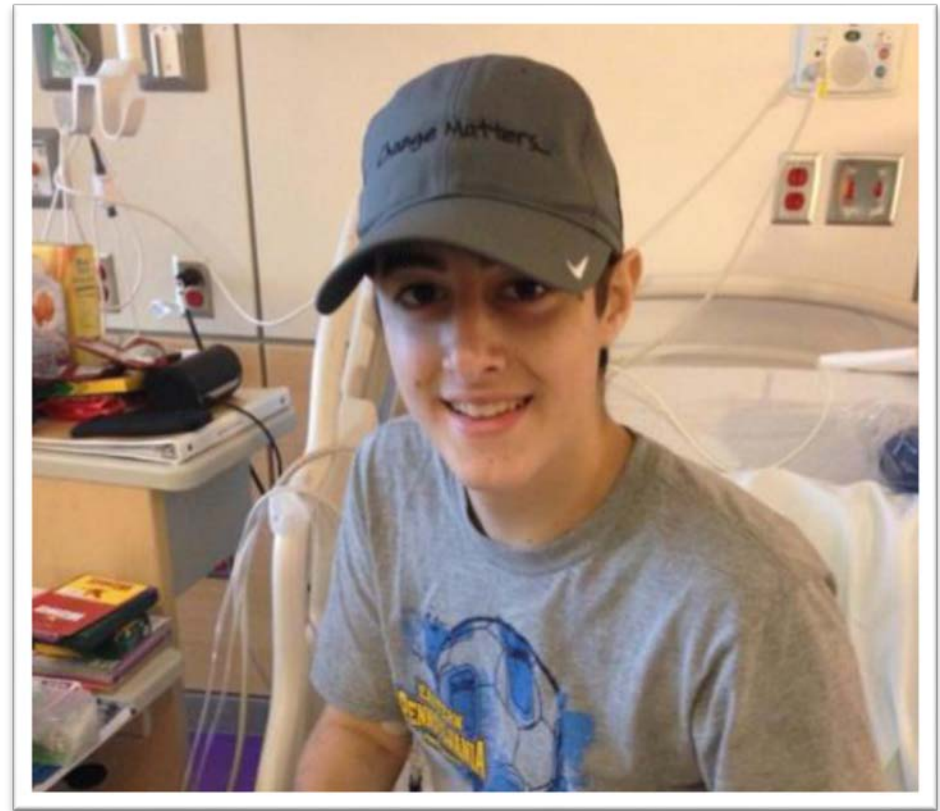

**volunteers, donors and Red Corner Crew.**

We are overwhelmed by the outpouring of love and generosity from everyone in the RCB community. Thank you for your attendance and support.

# RED CORNER BENEFIT

The 9th Annual Red Corner Benefit Dedicated to Brady Casto.

Brady Casto was a 15 year old student at Owen J. Roberts High School when he was diagnosed with acute lymphoblastic leukemia (ALL) on 8/19/15 and immediately started chemotherapy treatment. Additional medical testing revealed Brady had the "Philadelphia Chromosome," a specific abnormality on Chromosome 22, and this placed him into a "very high-risk ALL" category. Thank you for joining us October 21st , 2017 for the 9th Annual Red Corner Benefit to celebrate and support Brady and his family!

Proud to support
