

RCB would like to Thank...

There are too many to thank individually in the confines of this program.

THANK YOU

to all

volunteers, donors and Red Corner Crew.

We are overwhelmed by the outpouring of love and generosity from everyone in the RCB community. Thank you for your attendance and support.

In these bodies we will live. In these bodies we will die.

Where you invest your love, you invest your life.

RED CORNER BENEFIT

The 8th Annual Red Corner Benefit Dedicated to Hannah Hivner.

Hannah Hivner is 11 years old and was diagnosed with High-Risk Acute Lymphoblastic Leukemia (HR B-ALL) on May 21st, 2016. Hannah has a chromosomal mutation in her leukemia cell identified Philadelphia chromosome-like (Ph-like). For this reason, she has now been diagnosed with Very High Risk Acute Lymphoblastic Leukemia and her treatment will be longer than 2 ½ years with additional aggressive medications. She is a fun loving girl who enjoys hanging out with her friends, making music videos on her iPod and participating in theater classes. Hannah hopes to be an actress one day!

Sponsors

We gratefully acknowledge the following sponsors.

THANK YOU.
