

RCB would like to Thank...

There are too many to thank individually in the confines of this program.

THANK YOU to all **volunteers, donors** and **Red Corner Crew**.

We are overwhelmed by the outpouring of love and generosity from everyone in the RCB community. Thank you for your attendance and support.

In these bodies we will live. In these bodies we will die.

Where you invest your love, you invest your life.

Thank you for attending this year's *5th Annual Red Corner Benefit* dedicated to Sabrina Palermo.

*We wanted you to get to know this amazing little girl
just a little bit better. Here are some things about
Sabrina you might not have known!*

Sabrina is a bright and beautiful 7 year old that just finished first grade. She played her first season of softball this year and was an excellent hitter. When she is not outside playing with her friends and sister, she loves to read and play games. Another of her favorite things is to dance and sing whether it's a song on the radio or one she made up herself and coaxed her sister into performing with her. She is a gentle and kind kid that considers everyone else's feelings before her own.
