

RCB would like to Thank...

There are too many to thank individually in the confines of this program.

THANK YOU

to all

volunteers, donors and Red Corner Crew.

We are overwhelmed by the outpouring of love and generosity from everyone in the RCB community. Thank you for your attendance and support.

In these bodies we will live. In these bodies we will die.

Where you invest your love, you invest your life.

RED CORNER BENEFIT

**Thank you for attending this year's
6th Annual *Red Corner Benefit*
dedicated to Skylar West.**

*Skylar has already been through alot as a little one,
but she does it all with a smile on her face!*

Skylar was diagnosed with high risk B cell ALL on Aug 2nd, 2013 at just 14 months old. She has had to endure blood tests, finger sticks, injections, blood transfusions, hospital stays, spinal taps, chemotherapy, and clinic visits as frequently as 3x a week in previous phases of treatment. She had several planned admissions to chop for inpatient chemo as well as several unplanned for illness.

She is in the maintenance phase of her treatment now that will last until December 2015. She currently goes for blood count checks, intra-venous chemo and spinal taps with chemo as well every 4 weeks. She takes oral chemo at home every single day along with medications as needed to help with the side effects of her chemo. And she does it all with a smile on her face usually.

She's always been the happiest little girl!

She loves music...

She loves Minnie...

She loves her brother...

And she loves her family!
