

RED CORNER BENEFIT

Dear Red Corner Benefit Supporter,

The Red Corner Benefit is an all-day event held annually on every third Saturday in October. The day consists of live music, food, drinks, activities, bonfires, and so much more. The funds raised through the benefit are given to a local family with a child who is battling cancer. Our *goals* are to raise awareness of the number of children fighting pediatric cancer and to provide local families battling cancer with extra emotional, as well as, financial support. The benefit is now entering its *eleventh* year and every year it has drawn more awareness.

We are reaching out to request donations to support our non-profit organization; Red Corner Benefit. The specific donations we are asking for will be used in our **Love for Lexi Kids Area**. This area is dedicated to our second year's recipient, **Alexa Bailey**. Lexi passed away on November 7th, 2011th from Neuroblastoma. Donations needed are listed below. Please consider helping us continue the tradition of bringing joy and happiness to the children, a trait Lexi always held.

- ♥ Stuffed Animals
- ♥ Kids Raffle Items
- ♥ Games (indoor/outdoor)
- ♥ Art Supplies
- ♥ Toys
- ♥ Novelties
- ♥ Hula Hoops

Please feel free to contact us at Love4Lexi@redcornerbenefit.org should you have any questions.

Thank you for your consideration of Red Corner Benefit and your donations on behalf of Lexi's memory.
