Dedicated to...

Travis Reese

This year's recipient is Travis Reese of Gilbertsville, PA. On Halloween of 2018, fifteen year old Travis was diagnosed with an aggressive form of T-Cell Acute Lymphoblastic Leukemia. His course of treatment is 3.5 years and he has undergone induction chemotherapy, monthly spinal taps, and multiple other invasive procedures. He receives intrathecal, intravenous, and oral chemotherapies. Travis is a High Honors Student, with athletic and theatrical interests, all of which have been put on hold due to this devastating diagnosis.
